

# SP 12 - Balance Seat

core training

Sit down on the seat and hold on tightly to the handles.  
Swing in all directions.

**Installation:**

The device is delivered completely assembled and is screwed on top of the poured-in place foundation anchor (within the scope of supply). The Installation Guide can be found on [www.saysu.de](http://www.saysu.de) or upon request. Cover the ground anchor with filling material or with plastic covers (accessories).

For your draft we can supply 2D and 3D files.

Picture of the product may differ from original – subject to technical modification.
